## Short & Sweet Ceremony Details

Maybe the main focus of your dream wedding/vow renewal is to have a big celebration with family and friends or you could be on a very tight budget. We therefore have a beautiful yet shorter ceremony for you, filled with warmth, love, humour and happiness. It contains a smaller amount of personalisation and content and is ideal for couples who would like a simpler ceremony, while not compromising on it being perfect for your big day.

If you would like a bilingual ceremony in English and Spanish, this ceremony is the ideal one for you as the ceremony would be double in length.

The ceremony will last approximately 15 minutes or 30 minutes if bilingual.

We will spend time preparing by video call to create the personalised part of the ceremony.

### **What is Included?**

Video calls, calls and emails for ceremony script consultations, creation of written ceremony, communication with your planner/venue to coordinate the ceremony, perform the ceremony, wedding/vow renewal certificate (a keep-sake), travel within 80kms of Javea (beyond that travel expenses will apply), taxes and use of P.A. system for the ceremony, where professional system not available.

### **Some examples of the content of your ceremony include:**

- 1 reading/poem
- Your love story
- Choice of traditional or modern vows
- Exchange of rings with ring vow
- The kiss
- Signing of wedding certificate
